This Cookies Policy explains how Aimers Academy LLC ("Aimers Academy," "our," "we," or "us") uses cookies and similar technologies on our website.

When you access and/or make use of our website, we send one or more cookies (small text files containing a string of characters) to your device that uniquely identifies your browser. By using our website, you agree to our use of cookies.

We use cookies to improve the quality of the website and service by storing user preferences and tracking user trends. Cookies alone tell us nothing about who you are. Pixel tags generate a generic notice of a visit to the website. Pixel tags are used in conjunction with cookies to anonymously track the activity on the website by a particular browser on a particular website.

The type of cookies we use can generally be categorized under one of the four categories below. These are cookies required for our website's operation and to provide you with the best browsing experience, and they fall into the following categories:

- Operational cookies (Also known as Necessary Cookies): These cookies are essential, as they enable you to move around the website and use its features, such as keeping you locked in during your visit to the website and accessing certain areas of the website and the services that we make available to you. You can decline these cookies by changing your browser settings but because they are strictly necessary for the operation of the website, we cannot provide you with the website without this type of cookies.

- Performance cookies: These allow us to gather information about how you make use of the Website, recognize and count the number of visitors and collect information about how visitors move around our website when they are using it. This cookie helps us to improve the way our website works, for example, by ensuring that users can find what they are looking for easily. The information we collect using these cookies does not gather information about your identity. All information collected using this cookie are anonymous and is only used to improve how the Website works.

- Functional cookies: These cookies enable the website to provide personalization and enhanced functionality. For instance, providing this information can be used to remember your name and location. They may be set by us or by third-party providers whose services we have added to our pages. If you do not allow these cookies, then some or all of these services may not function properly.

- Targeting and advertising cookies: These cookies record your visit to our website and your browsing habits, such as the pages you have visited and the links you have

followed. They are used to deliver more relevant advertising to your interests and may limit the number of times you see an advertisement. They may be placed by us or by advertising networks with our permission. Please note that these cookies do not contain any of your personal information.

- Social media cookies: These cookies enable social media functionality and track activities like content sharing with friends and networks on social media.

- Session cookies: Any of the above-mentioned cookies may be a session cookie. Session cookies are not permanent and only remain on your device or computer from the point at which you visit our website until you close your browser. Session cookies are automatically deleted when you close your browser.

Your consent and control over cookie placement

A pop-up requesting your consent will be displayed to you before cookies are placed on your computer or device. By consenting to the placement of cookies on your device, you enable us to offer you the best possible experience when you use our website. You may refuse permission to the placement of cookies if you so desire; however, certain aspects of our website may not work properly or as intended.

In addition to the controls we provided, you can turn cookies on or off in your internet browser. Most web browsers also let you choose whether to disable all cookies or just third-party cookies. Most internet browsers accept cookies by default; however, this can be modified. For more information, please see the help menu in your web browser or the documentation that came with your device.

Changes to this Cookie Policy

We reserve the right to change this Policy at any moment. Any such modifications will be binding on you upon your first use of our website following the changes.

If there is a discrepancy between the current version of this Policy and any earlier version(s), the current and in effect provisions will take precedence unless indicated differently.
